

Rheem Product Selector: Disclaimer

- To help you make an informed choice and the one that is best for your needs, Rheem has developed the following Online Product Selector
 - Care has been taken to ensure that the information displayed in the Rheem Online Product Selector is accurate, however Rheem NZ Ltd does not accept responsibility or liability for errors or information which is found to be misleading.
 - You should always discuss the range of options with a professional installer (Qualifying or Registered Plumber/Gasfitter) who will be able to give you the best advice.
 - It's important to remember that this product selector only provides an indication of the correct water heater for your needs, and that your ideal water heating solution depends on many factors including your particular situation, your needs, your house, your family situation, the location and the climate, among other factors.
- The following Rheem Online Product Selector should be seen as guidance to Rheem New Zealand's range of domestic products. The product selector is not a substitute for professional advice and you should always consult a fully qualified professional who can look at your exact requirements.
